## Bernama.com editor passes away

**KUALA LUMPUR:** Bernama.com editor Izham Shuhaimi Ahmad died of esophageal cancer at the Selayang Hospital near here at about 4.30pm yesterday. He was 56.

His sister, Hajah Mafuzah Ahmad, said that Izham died after about three months of illness.

"It was in early April that he learned that he had cancer," said Mafuzah, herself a former Bernama journalist now working part time for the national news

agency. Izham was admitted to the hospital last Sunday.

His remains will be brought to his mother's house in Taman Gombak here and he will be buried before Zohor prayers today.

Izham, who was with Bernama for 30 years, graduated from Universiti Teknologi Mara with a Bachelor's Degree in journalism. He also held a Master's Degree in Business Administration from Universiti Utara Malaysia.
